2011 School Age Community Grant (SAC) Before and After School Program

Recently Kirksville Middle School was again awarded a School Age Community Grant (SAC) for the amount of \$90,000. This is a three year grant beginning September 6, 2011 and extending to June 30th, 2014. The grant will allow the Kirksville R-III School District to launch a new one hour before school program as well as a 3 hour after school program that will engage students in authentic, inquiry-based experiences while addressing the child care needs of working parents. The district will partner in this initiative with the following organizations: Kirksville Police Dept., Missouri Department of Conservation, State of Missouri Second Judicial Circuit Juvenile Division and Truman State University. The overall goal of the program is to provide students with a safe, inquiry-based, interactive learning environment that will provide families with a comprehensive and much needed care centered program for students before and after school between the hours of 6:30a.m.- 7:30 a.m. and 3:00p.m. -6:00p.m.

The SAC program will follow the Kirksville R-III Public School calendar. SAC will not be held on school holidays, or when school is closed for emergencies or inclement weather conditions.

Projected start date: October 3, 2011.

Student applications are now available. If you have further questions about this program, please do not hesitate to contact Dr. Michael Mitchell at 660-665-3793 or Barbara Rice, SAC Coordinator at 660-665-3793 ext 5.

Kind Regards,

Barbara Rice, School Age Community Grant Coordinator
