After School Program Registration Underway

Registration for the Kirksville Public School's after School Program is currently underway. The Tiger Club and the Tiger Club Plus Programs are available for students in Kindergarten through grade five. The Tiger Club Plus Program was formerly the After School Child Care Program.

Tiger Club meets from 3:00-5:00 p.m. on school days beginning August 17th, 2011. This creative "hands on" learning program is specifically designed to assist each student to better realize his/her academic potential and work toward achieving grade-level objectives. The focus of the program is homework completion, mathematics and reading. Tiger Club also provides a nutritious snack and recess time.

The Tiger Club Plus option is available from 5:00-6:00 p.m. for all after school students who need extended daycare. A daily fee of \$3.00 will be charged for the Tiger Club Plus option. Parents may take advantage of the Tiger Club Plus option on an as needed basis.

Registration materials were recently mailed to parents or may be picked up at the child's school. For additional information contact the Primary School Office at 665-5691 or the Ray Miller Elementary Office at 665-2834.
