

PTA Agenda

February 4th at 6pm

Welcome @ 6:02

Treasurer Report- \$5,216 in the account we will be adding a few small deposits and then the money from Western's. We will get about half of that money so then we will have about \$16,000 in the account.

New Business-

- Box Tops-Lacey Athon- We received a check for \$103 to deposit
- Western's- \$21,000 is what we sold for the meat stick order. Those will be ordered. We will get to keep about half of the money we collected, so about \$10,500
- Book Fair-1st week of March- This is being moved to March 15-19 because of availability of the mezzanine. It is a BOGO bookfair. We will space out the books more and probably limit the amount of people in at a time. We are also looking into taking orders through email for parents that don't feel comfortable coming into the school, those orders will be pre-paid and then collected for parents to pick up their order from the office.

Old Business-

- Christmas meal- this went well and the teachers loved it!
- Books for students- Quota helped us purchase books for all the students that they took home in December.
- iPads- were delivered today to the 27 classroom teachers.

Open Forum-
