New Business-

- Shoe and sock drive- this is going on right now we haven't got much at this point. Share if you can and get the word out.
- 2nd Tiger apparel order- it has been postponed at this point
- iPads- this is what the teachers wanted the most \$426 each with a case that would be about \$ 11,502. If we buy them we will have about \$5,000 left after that purchase. Jenny motioned to approve buying the IPADs and Pam 2nd the motion. Motion was voted on and approved.
- Christmas dinner- Mi Casa will do the dinner and it will be held at White Oaks Barn. Since the schools have went to Level 3 we will just wait and see what happens and discuss again at our December 3rd meeting.
- We might do the Western's Meat Stick Order sooner so that we can build our account back up.

Old Business-

- Pumpkin decorating contest- we had a good turn out on this
- PTC meal and Custodian's day
- Mums- We made about \$4,000 and this will be a good one to do again next year
- Apparel order- is on hold because there is no way to collect the orders or money since the schools are at Level 3
