THE KIRKSVILLE R-III BOARD OF EDUCATION

The Board is responsible for the organization and control of the public schools in the R-III District. The Board consists of seven members who are elected at-large for three-year staggered terms. School Board meetings are on the second Wednesday of each month at 6:00 p.m. Meetings are held in the Board Room of the Administration Offices at 1901 East Hamilton. The Board may call special meetings as needed.

ACCREDITATION

The Kirksville R-III School District is classified K-5-3-4 and Missouri School Improvement Program accredited with distinction in performance by the Missouri Department of Elementary and Secondary Education. Kirksville Area Technical Center is a candidate for Accreditation by the Commission of the Council on Occupational Education which develops and maintains high standards assuring quality and integrity in career and technical education.

EARLY CHILDHOOD EDUCATION PROGRAMS

The District's Early Childhood Learning Center serves children from 6 weeks to Kindergarten eligibility in a licensed and accredited facility on the Kirksville Schools campus. Children are served in one or more of the following programs: Early Head Start, Early Childhood Special Education, Head Start, Half Day Preschool and/or Full Day Preschool. The Early Childhood Learning Center also includes Parents as Teachers. In addition to child care and preschool programming, the Early Childhood Learning Center provides extended care for working families, developmental screenings, personalized home visits, parent education and a network of community resources.

SPECIAL EDUCATION PROGRAMS

Identified students are protected and afforded a Free and Appropriate Public Education (FAPE) under the Individuals with Disabilities Education Act (IDEA). Special Education is heavily regulated and students must meet federal and Missouri state criteria and demonstrate the need for specialized services to be eligible. If all of the requirements are met, the team may move forward with development of the Individualized Education Program (IEP). The IEP is the plan which outlines specialized instruction, accommodations, and modifications which ensure a Free and Appropriate Public Education in the Least Restrictive Environment.

KIRKSVILLE AREA TECHNICAL CENTER

The following programs are offered at the Kirksville Area Technical Center (KATC): Business, Digital Design & Graphics, Automotive Collision Repair, Automotive Technology, Construction Trades, Early Childhood/Teaching Careers, Health Careers, Agriculture, Project Lead the Way Engineering, Project Lead the Way Biomedical Science, and Project Lead the Way Computer Science. The Practical Nursing program is available to high school graduates. Federally approved financial aid programs are available to adult students who qualify and placement services are provided to all individuals completing programs. Call 665-2865 for more information.

COMMUNITY EDUCATION

The Kirksville Area Technical Center Community Education program is committed to meeting the varied educational needs of adults in the Kirksville community and the surrounding area. Scheduled short-term evening and weekend offerings address job-related and job-seeking skills, personal development and improvement, and pursuit of leisure-time activities and hobbies. Free English-as-a-Second Language classes are offered Monday, Wednesday and Friday mornings from 9-11 a.m.; Monday evening from 4-6 p.m.; and Wednesday evening from 4-8 p.m. Customized training provides assistance for new and existing businesses and industries in the Kirksville area in employee training. Classes can be offered where there are six or more students and when a competent instructor can be obtained. Kirksville Area Technical Center is an authorized testing center offering LaserGrade, PearsonVUE, CASTLE Worldwide, and HiSET testing. Call Kirksville Area Technical Center at 660-665-2865 for further information.

ENTRANCE AGE AND ATTENDANCE

All children between the ages of seven (7) and seventeen (17) must attend school, according to Missouri law. A child shall be five (5) years of age before August 1st to enroll in Kindergarten. All students attending R-III schools for the first time must provide a record of immunization against communicable diseases, birth certificate, and proof of residency within the Kirksville R-III District.

BUS TRANSPORTATION

School bus transportation is provided free to qualifying students in the Early Childhood Program through 2nd grade, regardless of the distance of their residence from the Primary School. For students in 3rd through 12th grades, free transportation is provided to students living a mile or more from their school. Transportation service is provided to children in special education, including physically challenged students. The Kirksville R-III Board contracts to provide bus service for the District. Residents can sign up for busing at the Transportation Office located at 1901 East Hamilton. Information may be obtained by calling the Transportation Office at 660-626-1444.

BREAKFAST AND LUNCH PROGRAM

Kirksville R-III Schools participate in the National School Breakfast and Lunch Program. Type A lunches served in all school cafeterias include a main dish, fruit and/or vegetables, bread and milk. High School and Middle School students also have the option to purchase from a la carte selections.

ABSENCES AND EXCUSES

Parents are requested to inform the school concerning the reason(s) for absence(s). In cases where a reason is not provided, the principal is directed to secure the information. Students are not to leave the school premises during the school day without the knowledge and permission of the principal or assistant principal. Attendance policies are available from building principals.

ILLNESS AT SCHOOL

If a child becomes ill while at school, the teacher or principal may isolate the child from other children until such time as the parent or guardian can be notified and/or the child can be returned to his/her home or cared for appropriately.

REPORTING TO PARENTS

“On-line” monitoring of academic progress is available for grades K-12. Contact your child’s school to obtain passwords and access information.

Report cards are issued at the end of each quarter. Parents are notified between reports when students are not progressing satisfactorily. Grading is used as a measure of a pupil’s progress and achievement in mastering a particular subject.

CHANGE OF ADDRESS

Schools must be supplied with the correct name, mailing and street address, and telephone numbers of a parent or guardian. Please notify the school immediately of such changes.

SCHOOL VISITS

Restrictions may currently be in place due to the COVID pandemic. Please check with your student’s school office. Under normal situations the R-III District maintains an open-school policy. Visitors are welcome at any time. An appointment made in advance with the school’s office is helpful to both the school and the teachers. Upon arrival in a building, visitors must report directly to the office and sign in with office personnel.

WEATHER CLOSURES Whenever hazardous weather results in calling for a 2-hour delay start, early release or the cancelling of school, announcements will be made on local radio stations, beginning at approximately 6:00 a.m. KTVO television will also carry the notice. The School District will also make text message announcements (See Below). Please do not call the news media.

TIGER ALERTS! (TEXTCASTER) Get important information about the Kirksville R-III School District sent as text messages and emails directly to your mobile phone, wireless PDA or pager. Sign up for “Tiger Alerts” at www.kirksville.k12.mo.us. Select a school and click on the Textcaster tab in the School Information section. Since Textcaster is used frequently in our district, be sure to check your individual plan with your cellular provider to avoid unanticipated charges.
