Dear Parent or Guardian:

The WMMS After School Homework Assistance Program is a free program geared to give students a conducive environment to complete their homework and access to a teacher if they have questions. In order to encourage independence, students are expected to come prepared with their planner completed, the materials they need, as well as, a book to read if they complete their work early.

Our teachers and volunteers will be available to answer questions and assist with student organization.

Attendance during second quarter will determine whether the After School Homework Assistance Program will continue into 3rd quarter. Information will be shared the week of December 9th for 3rd quarter.

Thank you,

Mrs. Esquivel
Principal

After School Homework Assistance Program Goals

- ❑ **Improve Student Grades**
- ❑ **Improve Organization skills**
- ❑ **Show Time-On-Task Pays Off!**

Once students sign-in, we take a few minutes for physical activity. We then move to the classroom and begin homework. A quick snack gives us energy to focus on lessons. Those without homework or late work will be expected to read quietly.

Students will be encouraged to do current homework first and then work on late assignments if needed.

Please notify the office by 3:15 pm if you will be picking up a student early. Students must be picked up by 5:00. Students failing to be picked up on time can result in their removal from the program.
